# Everybody saying To the Moon, But when !!

**'2022MOON' is a meme token.**

**BUT IT'S AN ORGANIC CREATURE.**

A new cryptocurrency birthed by fans & members of the meme coin communities. The cryptocurrency market is now getting ready to take a step and run. Our team has been contemplating for a long time what we can do in this market, as 2022 will be the year when cryptocurrencies become a true asset class. Numerous people who said Bitcoin was a scam have now decided that they are trying to replace cash with cryptocurrencies and that the memecoin ecosystem is growing at the center of it. But we are still one step ahead. Those who dream of the future will soon be in that dream. 2022 is just around the corner.

We are so Sick of Scams. So we've made a real project ourselves. Meme Ecosystem is not a joke Anymore and the world already realizes. Developing a '22 Application' including Best UX NFT Marketplace, Multi-Languages DEX, and Soft wallet for Defi.

## **22 MOONERS**

We call our community the 22 Mooners. We call ourselves Mooners in honor of 22MOON, Everyone can make memes of the 22MOON or just moon and whatever they want. Our Community will grow that can feel the tremendous hope and love we felt when mankind ignited an engine fire towards the moon.

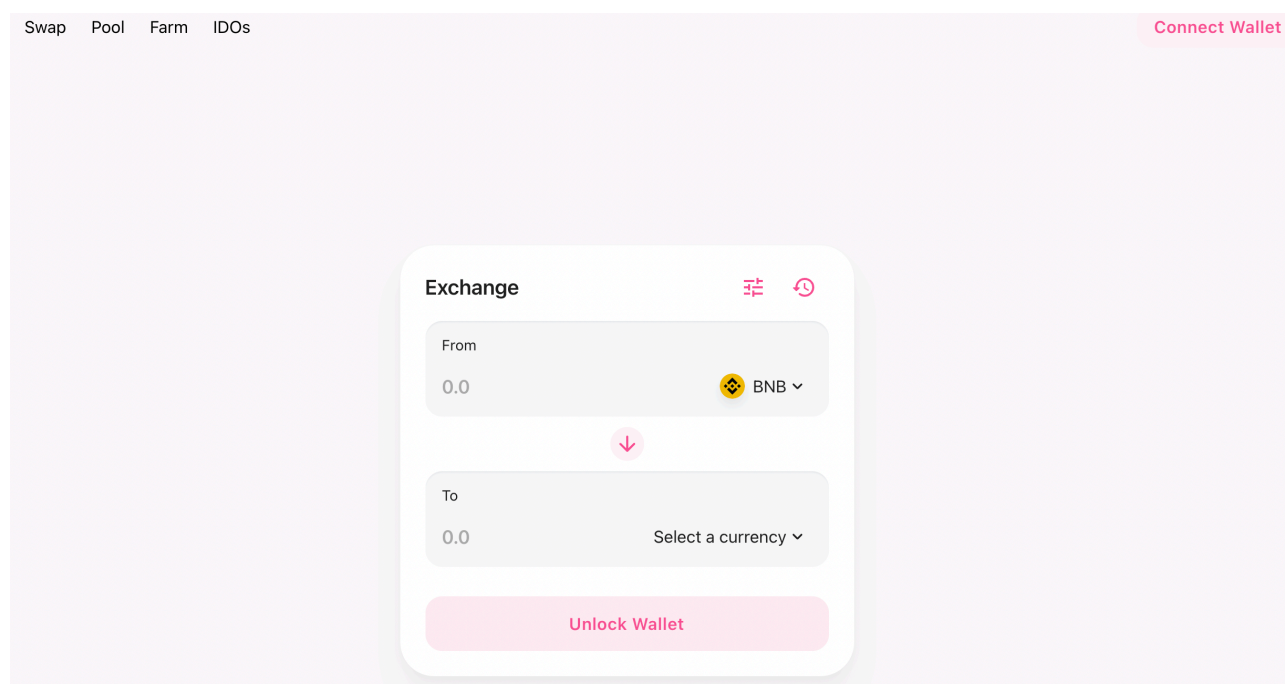

# 22SWAP & NFT Marketplace

2022MOON is working on two flagship utility projects:

22Swap Application that Real-time conversion to various languages is possible, and we are making a swap that works 100% on mobile without any problems. The overall project is English-based, but we plan to service the currently lacking Asian languages, and currently we are developing Korean and Japanese languages first.

NFT and merchandise marketplace, We provide NFT market place where people can buy and sell easily and conveniently in various Every languages at any time.

We call our community the 22 Mooners. We call ourselves Mooners in honor of 22MOON, Everyone can make memes of the 22MOON or just moon and whatever they want. Our Community will grow that can feel the tremendous hope and love we felt when mankind ignited an engine fire towards the moon.
